OFFICIAL OPENING

online magazine that focuses on promoting Greenpreneurs, sports & entertainment for climate, Climate Narrative, SDG campaign and Sustainable tourism by providing in-depth coverage and analysis of these topics while emphasizing their interconnectedness of successful stories from 165 countries and, reflecting the four main areas of interest for the publication. SECOTO magazine seeks to give right of everyone to become climate narrative from the village level to the international level.

INTERNATIONAL CONFERENCES OF SPORTS AND ENTERTAINMENT FOR CLIMATE

In solidarity for a
Green World

It will typically focus on the intersection of sports, entertainment, and environmental sustainability by bringing together Government organizations, Environmental organizations, artists, athletes, social media influencers, sports journalists, environmental journalists, and climate activists from all over the world. To explore how these sectors must contribute to climate action by integrating the athletes, artists, and actors by promoting awareness around environmental issues and involve them in taking action on climate agenda from the village to the international level.

The logo is a circular emblem containing a stylized human figure with arms raised, set against a dark background. Below the logo, there is a line of small, illegible text.

INTERCONTINENTAL GREEN CUP AND WORLD GREEN CUP OF ENVIRONMENTAL CLUBS

In solidarity for a

Green World

Inauguration of **African Green Cup™**, **Asian Green Cup™**,
European Green Cup™, **Oceanian Green Cup™**, **South
American Green Cup™**, **North American Green Cup™**, **World
Green Cup™** of Eco Clubs in Football, Volleyball, basketball,
and Performing Arts.
