

From COP28 to the World Green Cup

In a historic moment at COP28, Eco Arts has inked two al Memorandums of Understanding (MoUs) simultaneously, emphasizing diverse collaborations for community development and sustainability. The signing ceremony took place on December 11, 2023, at Expo City Dubai – Youth Hub, attended by His Excellency Salem Yousuf Al Qaseer, the President of the UAE Sports for All Federation. This collaboration marks an extraordinary juncture in the realms of sports culture development, environmental conservation, and artistic initiatives.

Eco Arts which has SECOTO management in its duty has signed a memorandum of understanding between **Creative Hub** and **UAE all sports federations** to engage young people in environmental conservation through Eco Sports Clubs as well as assist them in developing their talent in sports and Arts and Culture exchange. This partnership focused on the four mega sports events on conservation which are the **SECOTO international launch**, **ECO SPART CUP-UAE**, **Intercontinental Green Cup**, and **World Green Cup first edition**.

Through this agreement Rwanda will have 30 teams of football, Basketball, Volleyball, Handball and Traditional dances, Modern dances women and men this team will annually participate in **Eco Spart Cup-UAE** where Eco arts require to have the half of team which will participate The age category are U10, U12, U14, U16, U18, U20.

As our mission is to promote the environmental conservation through, sports, Arts and culture the first will be identified from community surrounding Rwanda Protected areas. As key of promoting of our touristic site and culture as well as inspiring the other countries in all aspect.

Thank you.
